RE: Derek Ahsui

Dear Mr. Takahashi:

Per our conversation this morning, Mr. Derek Ahsui has been accepted into the Big Island Substance Abuse Council's Therapeutic Living Program and will be able to participate in Intensive Outpatient Services for substance abuse treatment. He will be able to be admitted into the program between the week of February 13, 2006 - February 17, 2006. Please let me know the exact date he will be admitted as determined by the presiding judge in his case. Please be advised that his bed can only be held for him for that week only and will not be available anytime after. His name will be put at the bottom of list and he will need to wait for the next available bed. You can contact me at (808) 640-5717 to let me know the exact date and time he will be released into our custody.

Sincerely,

Vanessa Lee K. Kekahuna, CSAC
